LA RIVIERE PARK – A HIDDEN GEM IN PDC

We invite you to visit one of the most natural and scenic parks the City of Prairie du Chien has to offer, which is located only a few minutes outside of town, off Vineyard Coulee Road. This unique park was donated to the City of Prairie du Chien in 1976 by Dan LaRiveire as a public park and recreational area to benefit present and future generations that may have the pleasure of visiting and enjoying the area of wooded hills and wildlife living therein. The 300 acre park features over 6 miles of excellent hiking trails and over 50 miles of adjoining Horse Trails. The park is a mix of hardwood forest, grasslands and native prairies, but on a closer look, you will see much more.

LA RIVIERE HORSE PARK

During the summer of 1987, Dan Boom, a LaRiviere Park Board member and a good friend of Dan LaRiviere, invited equestrian riders to use the park for horse riding. Many Sunday afternoons were spent riding horses, developing trails, using the park, and enjoying nature. All of this would have brought a smile to Dan LaRiviere's face. In August of 1988, the first Large Horse Ride was held and has been done each year since. Additionally, in 2007 the LaRiviere Riders, Inc. was formed and signed a lease with the City of Prairie du Chien, with the goal of providing a fully operational free horse campground with equestrian trails within the park. This 100-unit Horse Park is one of the largest in the nation which is run by volunteers and entirely subsidized with donations.

THE TRAIL OF PRESIDENTS

Very few small towns can say they have had 22 presidents that lived or visited their communities. We have researched each United States President and have formed a list of the 22 Presidents that have visited Prairie du Chien. The Oak tree is America's National Tree. Oak trees are being planted because individual oaks have played a part in historical events. In the annals of military history "Old Ironsides," the U.S. Constitution, took its nickname from the strength of its live oak hull, famous for repelling British cannonballs. President of Mexico, Vicente Fox was educated at the former Campion Boys School. Come visit this one-of-a-kind park to find out more!

PDC SKATE PARK

The Children's Advisory Board along with many supporters have added a great skateboard park to the Prairie du Chien Park system. With input from the young

people of Prairie du Chien, a design was developed to meet the needs of local skaters. There is no admission charge to the new park and it is open during park hours to skateboards, Roll-erblades and BMX style bikes. It is located in the the Aquatic Park/Fort Fun complex.

PDC'S DOG PARK 400 West Lockwood

On June 12, 2021 the PdC Dog Parks Committee conceptual plan was brought to reality with the dedication of a new 1.9-acre Dog Park! Because of the generosity of the community over \$36,000 was raised to provide area dogs and their owners with a fenced in facility that has already seen full usage daily. Please abide by the posted regulations and enjoy this great new addition to our city's parks!

FRYDENLUND FAMILY DONATES TO LA RIVIERE PARK

The Frydenlund family recently presented a gift to the Prairie du Chien La Riviere Park Committee in memory of their parents, Art and Elaine Frydenlund, longtime members of the community. The do-

nation was used to construct a new welcome kiosk, which features park information, history, trail map, and a memorial plaque. La Riviere Park is intertwined with Frydenlund Family history and their passion for Prairie du Chien and its quality of life.
