MEMO

TO: Finance and Common Council
FROM: Chad Abram, City Administrator
RE: Garbage/Recycle Services
DATE: July 28, 2026

Recommendation

After reviewing the five proposals submitted in response to the City's Request for Proposals (RFP) for residential garbage and recycling collection services and evaluating each proposal using the established evaluation criteria, I recommend the Common Council award the contract to **Kluesner Sanitation** for a **five-year contract term**.

The evaluation considered both pricing and long-term value. Based on the submitted pricing and annual escalation rates, Kluesner Sanitation offers the most advantageous proposal for the City and its residents by providing the lowest overall monthly collection cost together with one of the lowest annual contract increases.

Background

The City solicited proposals from qualified vendors to provide residential garbage, bi-weekly recycling, and yard waste collection services. Five proposals were received and evaluated in accordance with the criteria established in the Request for Proposals.

The submitted pricing is summarized below.

Bidder	Weekly Trash	Bi-Weekly Recycle	Yard Waste	Monthly Total	Annual Increase
Kluesner Sanitation	**$12.00**	**$3.90**	**$1.30**	**$17.78**	**3%**
Republic	$14.44	$4.81	$0.00	$19.25	5%
GFL	$16.00	$9.00	$0.00	$25.00	3%
Waste Management	$17.25	$7.30	$3.67	$28.22	5%
Harters	$16.84	$9.73	$28.00	$54.57	CPI

Evaluation

The proposals were evaluated using the criteria established in the RFP, which emphasized obtaining the best overall value for the City while ensuring dependable residential collection services.

Lowest Overall Monthly Cost

Kluesner Sanitation submitted the lowest overall monthly residential service cost at **$17.78 per household**, making it the most economical proposal received.

Compared to the remaining bidders, Kluesner's proposal is:

- **$1.47 less per household per month than Republic**
- **$7.22 less than GFL**
- **$10.44 less than Waste Management**
- **$36.79 less than Harters**

Long-Term Price Stability

Kluesner's proposal also includes a **3% annual contract increase**, compared to **5%** proposed by Republic and Waste Management. Harters proposed annual CPI adjustments, which could exceed the fixed percentage

increases depending on economic conditions. The lower annual escalation provides greater budget certainty and protects residents from larger future rate increases.

Five-Year Financial Value

When projected over a five-year contract, Kluesner's lower starting cost combined with a modest 3% annual escalation provides the strongest long-term financial value. While all proposals experience annual increases, Kluesner's lower base rate allows it to remain the lowest-cost proposal throughout the contract term, producing meaningful savings for the City and its residents over the life of the agreement.

Additional Services

Kluesner proposed a **$0.58 per household charge per month** for the annual City-wide cleanup event. Republic and GFL included no additional charge for this service, while Waste Management proposed **$75 per item**. Even with the cleanup charge, Kluesner remains the lowest overall monthly service proposal.

Benefits of a Five-Year Agreement

Awarding a five-year contract provides several advantages to the City and its residents, including:

- Stable and predictable annual budgeting.
- Protection from significant market price fluctuations.
- Reduced administrative costs associated with rebidding services.
- Greater certainty for residents regarding future collection costs.
- A long-term partnership with a qualified service provider.

Conclusion

Based upon the evaluation criteria established in the Request for Proposals, Kluesner Sanitation submitted the proposal offering the best overall value to the City of Prairie du Chien.

Kluesner provides the **lowest overall monthly residential collection cost ($17.78)** while also limiting annual price increases to **3%**, resulting in the most favorable long-term financial outcome among the proposals received. Combined with competitive pricing and predictable future costs, Kluesner's proposal best satisfies the City's objective of providing high-quality residential waste and recycling services at the lowest overall cost to taxpayers.

For these reasons, I respectfully recommend that the Common Council award the residential garbage and recycling collection services contract to **Kluesner Sanitation** for a five-year term

Thank you,

Chad Abram

AN ORDINANCE CREATING SECTION 7.07 (14) OF THE CODE OF ORDINANCES OF THE CITY OF PRAIRIE DU CHIEN RELATING MOTORIZED SCOOTERS PROHIBITED ON WALKING AND BICYCLE PATHS

The Common Council of the City of Prairie du Chien, Crawford County, Wisconsin, does ordain as follows:

7.07(14) MOTORIZED SCOOTERS PROHIBITED ON WALKING AND BICYCLE PATHS.

Section 1:

(a) Definitions.

i. Motorized Scooter shall be defined as any device equipped with handlebars that is designed to be stood or sat upon by the operator and is powered in whole or in part by an electric or gasoline motor.

ii. Walking and Bicycle Path shall be defined as any public trail, shared-use path, recreational path, sidewalk-adjacent path, riverfront path, or other route designated by the City primarily for pedestrian or bicycle travel.

(b) Prohibited Operation.
No person may operate a motorized scooter upon any Walking and Bicycle Path within the City limits. Motorized scooters may be operated only on public streets and other locations where motorized vehicular traffic is permitted and where otherwise authorized in this Code.

(c) Exceptions.
The prohibition in subsection (b) shall not apply to:

1. City maintenance, utility, or service vehicles operating in the performance of official City duties.
2. Law enforcement, fire, emergency medical, or other public safety personnel acting in an official capacity.
3. Mobility devices used by individuals with disabilities as permitted under state or federal law
4. Electric scooters, and other authorized personal mobility devices operating on designated multi-use trails, walking paths, and bicycle paths where such use is expressly permitted by the city, as depicted on Exhibit "A". Operators shall exercise due care, yield the right-of-way to pedestrians at all times, and comply with all posted regulations governing the use of such facilities.
5. Persons under sixteen (16) years of age may operate a motorized scooter on City sidewalks; however, operation is prohibited on sidewalks located on Blackhawk Avenue between Illinois Street and Main Street.

(d) Posting of Restrictions.
The City may, but is not required to, post signs or markings indicating areas where the operation of motorized scooters is prohibited. However, failure to post signs or markings shall not constitute a defense to enforcement of this ordinance under this section.

(e) Enforcement and Penalty.
A. Any person violating provisions of this ordinance shall be subject to a forfeiture of not less than $25 nor more than $250 for each offense, together with applicable costs and assessments.

B. Each violation shall constitute a separate offense.
C. The Prairie du Chien Police Department shall have authority to enforce this ordinance.

Section 2: Any ordinance or parts thereof inconsistent herewith are hereby repealed.

Section 3: This Ordinance shall be effective from its passage and publication as required by law.
